INTRODUCTION

On the 348 rolls of this microfilm publication are reproduced the applications submitted for shares of the money that was appropriated for the Eastern Cherokee Indians by the Congress on June 30, 1906. The Eastern Cherokee applications, August 29, 1906-May 26, 1909, are part of the Guion Miller Enrollment Records that are among the records of the U.S. Court of Claims. This publication also includes a general index to Eastern Cherokee applications (two vols.).

History

Before the U.S. Court of Claims was established in 1855 there was no procedure by which claims arising against the U.S. Government could be enforced by suit. Consideration of claims was provided for when the Treasury Department was established in 1789; later acts of the Congress authorized the Department to settle all claims by or against the Government. If a claim was rejected by the Treasury Department, the claimant's only course of action was to appeal directly to the Congress. Petitions to that body for relief had become so numerous by the middle of the 19th century that the Congress was beginning to find it impossible to make the proper and necessary investigations for actions on the claims.

The U.S. Court of Claims was established by an act of February 24, 1855, to hear claims against the United States including those referred to the court by the Congress, based on any law of the Congress, any regulation of an executive department, or any contract with the Government, whether explicit or implied. Under this act the court served only as a factfinding agency, and its conclusions were submitted to the Congress for approval and for the granting of awards. In 1863 the Congress enlarged the court's jurisdiction and gave it authority to render judgments against the Government, with the right of appeal to the Supreme Court. An act of 1925 abolished appeals from the Court of Claims to the Supreme Court and substituted writs of certiorari.

An act approved July 1, 1902 (32 Stat. 726), gave the Court of Claims jurisdiction over any claim arising under treaty stipulations that the Cherokee Tribe, or any band thereof, might have against the United States and over any claims that the United States might have against any Cherokee Tribe or band. Suit for such a claim was to be instituted within 2 years after the act was approved. As a result, three suits were brought before the court concerning grievances arising out of the treaties:

(1) *The Cherokee Nation* v. *The United States*, General-Jurisdiction Case No. 23199; (2) *The Eastern and Emigrant Cherokees* v. *The United States*, General-Jurisdiction Case No. 23212; and (3) *The Eastern Cherokees* v. *The United States*, General-Jurisdiction Case No. 23214.

On May 18, 1905, the court decided in favor of the Eastern Cherokees and instructed the Secretary of the Interior to identify the persons entitled to participate in the distribution of funds for payment of the claims. On June 30, 1906, the Congress appropriated more than $1 million for this purpose. The task of compiling a roll of eligible persons was begun by Guion Miller, special agent of the Interior Department. In a decree of April 29, 1907, the court (1) vacated that part of its earlier decision that had given the Secretary of the Interior responsibility for determing the eligbility of claimants and (2) appointed Miller as a special commissioner of the Court of Claims.

The same decree also provided that the fund was to be distributed to all Eastern and Western Cherokee Indians who were alive on May 28, 1906, who could establish the fact that at the time of the treaties they were members of the Eastern Cherokee Tribe or were descendants of such persons, and that they had not been affiliated with any tribe of Indians other than the Eastern Cherokee or the Cherokee Nation. The decree further provided that claimants should already have applications on file with the Commissioner of Indian Affairs, or should file such applications with the special commissioner of the Court of Claims on or before August 31, 1907. Additionally, applications for minors and persons of unsound mind were to be filed by their parents or persons having their care and custody, and applications for persons who had died after May 28, 1906, were to be filed by their children or legal representatives.

In his report of May 28, 1909, Miller stated that 45,847 separate applications had been filed, representing a total of about 90,000 individual claimants, 30,254 of whom were enrolled as entitled to share in the fund--3,203 residing east and 27,051 residing west of the Mississippi River. On June 10, 1909, the court confirmed and approved the roll, submitted by Miller in his report, of Eastern Cherokees who were entitled to a share of the fund except "so much as shall be expected (excepted) to on or before August 30, 1909." After the exceptions had been filed and investigated, Miller submitted a supplemental report and roll to the court on January 5, 1910. In this report he stated that about 11,750 exceptions had been made, that the names of 610 persons (238 east and 372 west of the Mississippi) had been added to the roll, and that the names of 44 persons (5 east and 39 west of the Mississippi) had been stricken from the roll because clerical errors in enrollment had been discovered. Thus the final figure on the total number of persons entitled to share in the fund was 30,820, of which 3,436 persons

resided east and 27,384 resided west of the Mississippi River. On March 15, 1910, the court finally decreed that the rolls be approved and that, after certain deductions for expenditures, payments were to be made equally among the Eastern Cherokees who were enrolled. The court also authorized the Secretary of the Treasury to issue a warrant in favor of each person.

In certifying the eligibility of the Cherokees, Miller used earlier census lists and rolls that had been made of the Cherokees by Hester, Chapman, Drennen, and others between 1835 and 1884. Copies of some of these rolls and the indexes to them are filed with the Miller records(filmed as M685). Other enrollment records used by Miller are among the classified subject files of the Bureau and are designated as "33931-11-053 Cherokee Nation."

Records

The applications contain sworn evidences of identity and were filed with the Interior Department's Office of Indian Affairs until April 29, 1907 (the last application was No. 22268), after which the applications were filed directly with the court. The application required each claimant to state fully his or her English and Indian names, residence, age, place of birth, name of husband or wife, name of tribe, and names of children. It further required the English and Indian names of the claimant's parents and grandparents, place of their birth, place of their residence in 1851 if they were living at that time, dates of their death, and a statement as to whether any of them had ever before been enrolled as Indians for annuities or other benefits and, if so, with what tribe. Each claimant was also to furnish the names of all brothers and sisters, with their ages and residences, and the names and residences of all uncles and aunts. Applications were required to be made under oath and to be supported by affidavits of two witnesses who were well acquainted with the applicant. With each application is a card showing final action taken and the reasons therefore. Filed with many of the applications are inquiries concerning the status of the cases, requests for further evidence, protests about unfavorable actions, form letters that had been sent by the special commissioner to the applicants as notices of rejection of their applications and returned by the Post Office Department as unclaimed, affidavits and statements of witnesses, powers of attorney, and last wills and testaments. The applications are arranged by the number assigned at the time the application was received. There are some gaps in the application numbers; these are explained on insert sheets at the appropriate places on the film. The index is arranged alphabetically by name (either English or Indian) of claimant.

Many of the files contain a cross-reference card to other applications. This cross-reference card often refers to the EX file, the report on exceptions filed by Miller on January 5, 1910.

Related Records

The records reproduced in this microfilm publication are part of the records in the custody of the National Archives and Records Service (NARS) designated as Records of the U.S. Court of Claims, Record Group (RG) 123. COURT OF CLAIMS
EASTERN CHEROKEES.
Rec. FEB 6 1909
No.

(X)

IN THE UNITED STATES COURT OF THE INDIAN TERRITORY,

AT MUSKOGEE.

George Hubbard et. al.	)
vs No. 401.	) Report of Special Master.
The Cherokee Nation.	)

I, Edgar Smith special Master herein respectfully submit to the Court that under and by virtue of the order of reference had in Court herein for the above entitled cause I have examined the pleadings and proofs herein which are filed herein and have also heard the testimony as provided by the Order of Court made and entered of record June 11th. 1901 and I find as follows:-

-I-

That this cause was instituted on the 6th. day of Sept. 1900 by filing before the Commission to the Five Civilized Tribes the application of the following persons to-wit:-

George Hubbard,	Ora Hubbard,
Anna Smith,	Goldie Hubbard,
Lizzie Hubbard,	Emma Lewis,
Myrtle Smith,	Homer Smith,
Annie Lewis,	Hubie Smith,
Albert Hubbard,	Bessie Smith,
Edgar Hubbard Jr.,	Lucien Smith,

Ten, the minor children of Thomas Indian by blood and Jane Indian by blood who is alleged to have been the daughter of Johnson. Sequoyah is alleged to have been a full blood Cherokee

That on the 1st. day of Oct. 1900 appellee herein filed

Demurrer and answer denying allegations of application and setting up that applicants had filed their claim before Commission on Citizenship which application had been denied;

That said application is marked "rejected" but that the notice of rejection on transcript of the book record of the Commission to the Five Civilized Tribes does not appear with the papers in the case and for this reason the date of said rejection is not shown in this report;

That on the 5th. day of Feby. 1907 appeal from decision of said Commission was filed in the District Court of the United States sitting at Muskogee.

-II-

That said applicants filed in support of their claim of [illegible] of the following named persons to-wit:-

[illegible], Philip Archer,

[illegible], J. F. Carter,

[illegible], George Hubbard Jr.,

[illegible], Jerry Lum,

[illegible];

That the contestee filed in support of its answer a certified copy of the Judgment of said claimants by Commission on Citizenship which said Judgment was dated [illegible]

-III-

That [illegible], Anna Smith, Willie Smith and Minnie [illegible] are the children of Jane Hubbard;

That [illegible], George Hubbard Jr., Fred Hubbard [illegible] are the children of the said [illegible] and his wife;

That Myrtle Smith, Howard Smith, Viola Smith, Bruce Smith and George Smith

are all children of the said Anna Smith nee Hubbard

-IV-

I find that Jane Hubbard aforesaid the ancestor through whom theseapplicants claim was the natural daughter of Sal: Thoms a Quadroon and slave and one Johnson Reese;

That said Johnson Reese was a Cherokee Indian by blood that these applicants are bona fide residents of the Cherokee Nation and have resided therein since 1880 and that they have made valuable improvements thereon;

That George Hubbard one of the applicants voted in the Cherokee elections and that permits to employ non-citizens were issued to him;

That these applicants applied to the Commission on Citizenship and were on Oct. 4th. 1897 rejected by said Commission; that it is not shown that either of these applicants or the ancestors through whom they claim was ever enrolled as a Cherokee Indian by blood.

-V-

The appellants contend, they having shown that they descended from Johnson Reese who was a Cherokee Indian by blood and that they are bona fide residents of the Cherokee Nation, that they are entitled to be enrolled as Cherokee Indians by blood and to all of the rights incident to such citizenship; appellants further contend that if not should have been rejected for that for want of notice;

While the appellee contends, it not having been shown that they, or the ancestors were enrolled as Cherokee Indians by blood upon the roll of the Cherokee Nation was not in its possession;

That appellants are not entitled o be enrolled appellee contends that answer was filed in due time.

I respectfully ask that a reasonable fee be allowed me as Master herein.

Respectfully submitted this _____ day of _____ 1897.

Court of Claims.
Sir.

In reply to your letter of Dec 24-1907. relative to my application. № 8227.- first question to wit= Why were your parents never enrolled as Eastern Cherokees? Ans they were out side the reservation, at the time of enrollment.

Second question: Were your grand parents, or any of them ever enrolled with the Eastern Cherokees. Ans. I dont know if they were. If they were not it was for the same reason that my parents were not enrolled.

Third Question: Why have you never been enrolled; Ans: The Cherokee authorities refused our application for enrollment because we were, they said, excluded by limitation. They never denied our being Cherokees.

I have delayed answering, thinking

I would send you some of our affidavits but I cannot secure them. They were filed with Court at Muscogee, several years ago, and, I don't know who has them.

My uncles & aunts as I remember them John, James, Allen, Benjamin, Joel, Elizabeth, Sallie, Polly. I think they were not Enrolled.

The reason our ancestors were out of the reservation, they were taken by a "Quaker Mission, which was located some distace from the reservation, and, I don't know, if they ever returned, or, whether they did or not.

My great, great, grand mother was An-na-wa-ka, a full blood Cherokee.

Respectfully Yours

John James Elmore

No. 8227--8226

John J. Elmore, after being first duly sworn, deposes and says:

I am 59 years of age; was born in Jefferson County, Tenn. I claim Cherokee Indian blood through my father. I have never gotten any Indian money from the government nor did my father. I came West in 1870. My father remained in Tennessee and died there. My father spent his life in Jefferson County, Tenn. He was a voter and lived with the white people. I heard of my Indian blood first when I was a very small boy. My father told me of my Indian blood and it was generally known that we were related to the Cherokees. I put in my application for citizenship in 1889. I did not get an allotment in the Territory.

Sir:

In the matter of your application for participation in the Eastern Cherokee fund, please take notice that I shall in my report to the Court relative to the exceptions filed call the attention of the Court to the fact that your name was enrolled for participation in said fund through clerical error and that you are not, in my opinion entitled to share in said fund, and that your name should be stricken from the roll of those entitled to participate in the same. I very much regret that this error was committed but I wish to thus give you full notice of my intended action. The enclosed circular letter will give you additional information. The time for filing exceptions to my report has been extended to Oct. 30th, 1909.

I think she was born in the 40's. I think she was born in Tennesseee My mother and her family are on all the rolls. I don't know when they came west but when she was quite small. Her brothers were Mike, John,- Michael must be in the 50's,- Billy, and Frank, Henry and Reese Mitchell. William and Frahk are about, or close to 50 years old. Henry Bradford Mitchell is Henry's full name. I don't know in what District he lived 50 years ago. I have an Aunt Nancy Allen, nee Mitchell, Becky Proctor, nee Mitchell, Vicey or Vica (LoVice) Eliza Akin Tiney. She is about 40 or 50. Rachel Mitchell was my grandmother. My grandfather was Reese Mitchell. My mother was not married. (8 Illinois.) I don't know any of my great-grandparents. None of these people were Old Settlers. John Mitchell, a brother to my mother, filed an application. They nevercassociated with any other tribe of Indians. Most of my uncles and aunts are dead but all those living have filed applications.

Maggie Hildebrand being first duly sworn through Tom Roach, interpreter, deposes and says:

That I am 27 years of age. I am a full blood Cherokee. John Hildebrand, my husband, is also a full blood Cherokee. He died about a year ago. Cluh-dutch was my father's Cherokee name. His English name was Panther. If he was enrolled it was under the name of Dick-e-la-stah. He was not an Old Settler. In 1887 my father died and he must have been about 48 years old. My father's father was named Oo-lah-stah-a. My father's mother was named Sah-kin-ny. I don't know any of my father's brothers. My father and his parents came from Going Snake District. My mother was named Chi-low-suh. Her English name was Jinny. Don't know my grandparents on my mother's side. I am on the Dawes Commission roll (3970) Cherokee roll. My husband is on the Dawes Commission roll (3969) Cherokee roll. My husband's mother's name was Su-dah-nih or Wah-lee-ih. My husband's father's name was Uh-meh-guh-daw-ske. My husband's grandfather was named Yoco in Indian, English Mose. (Tah. 293). Think he was living in 1851. He might have been living in Tahlequah or Flint District. Don't know who my husband's father's sisters and brothers were, if he had any. None of my husbands people were Old Settlers. My husband's grandparents on his mother's side were Guar-nor-he-le and Nannie. (Guar-nor-he-le means Flying in English). My husband's mother had a sister named Ge-ah-se-daw-ih, which means "pushing something". Gah-luh-duh was another sister of my husband's mother. That means "a lane". Guh-lun-daske was another and that means "a road".

Polly Kingfisher being first duly ~~x~~ sworn through Martin Squirrel, Interperter, in behalf of Nellie Rattlinggourd and others deposes and says:-

Im was born in 1851. I am acquainted with Nellie Rattling-Gourd and knew both of her parents. Think Nellie's name than at the time of the 51 roll was Gah-dah-neh. Her father's name Che-you-de-gah-los-kski, which means broken canoe. Her mother's name was Nee-goo-dah-yih. They were living together in 51 in, I think, Delaware District. They were both Emmigrants. I thin besides Nellie and her parents there was four other children enrolled. They were Le-sih- or Lizzie, Che-yaw-guh, a girl, Ah-gee-law-he, a girl, and Dee-ja-wee-ski, a boy. He is still living. His name now is West Kingfisher. I am not sure that he was old enough to be enrolled but I think he was. Che-you-de-gah-los-ski must have had an English name of John Kingfisher. Too-ny was the daughter of Nee-goo-dah-yih by another man. John Kingfisher also lived with his step daughter Too-ny and they had a child named Na-ke and a son named Oo-na-chos-te. Oo-na-chos-to was married and had several children at that time. One of them, Dah-yeh-wah, (Del 525) or he now goes by the name of Black fos Kingfisher, is living now near Peggs. Na-ke, who now goes by the name of ~~Nake~~ Deadfulwater is living now three miles east of here. See Del. 526.

In the matter of the claim of Gertrude M Richards etal for participation in fund appropriated by Congress June 30, 1906, for Eastern and Emigrant Cherokee Indians and their descendants.

On this 26th day of July A. D. 1906, personally appeared before me, Orville E. Gorman, a Notary Public in and for said County, duly authorized to administer oaths, James Harralson, aged 80 years, a resident of Webb City, Jasper County, Missouri, well known to be reputable and entitled to credit, who being by me duly sworn on his oath, declared and saith in relation to said case as follows:

I was well acquainted with Alexander Brown in his life time. He came from McMinn or Monroe County, Tennessee, and located and settled near what is now known as Brighton, Polk County, Missouri, on or about the year of 1836 or 1837. He came to said Polk County two or three years before his death. The said Alexander Brown, when I first knew him, lived in Tennessee. I have heard that he came to Tennessee from Georgia. He lived about a mile from where my father lived in Tennessee. I knew said Alexander Brown from the time I was old enough to remmember any one until his death. He visited my father and my father visited him quite often. His family and my father's family visited back and forth quite often. His children and my father's children played together often and the two families were intimately acquainted with each other. I have a very clear and destinct recollection of hearing the said Alexander Brown say that he was registered or that his name was on the roll of Cherokee Indians prior to his leaving Tennessee, and I have heard him tell this both before he left Tennessee and after he came to Missouri. I came to Missouri soon after Alexander Brown left Tennessee, and I saw him and was intimately acquainted with him both in Missouri and in Tennessee. The said Alexander Brown was a tall broad shouldered man, rather slim, high cheek bones, dark complexion with black hair and eyes. He said his children were generally known and recognized and reputed to be part heard Alexander Brown and also his children say that he was part Indian. I have blood Cherokee Indian and they always claimed to be of Cherokee blood.

Said Alexander Brown's remains were burried at the Brock Grave Yard near Brighton in Polk County, Missouri. It was the general talk among the children and neighbors of said Alexander Brown that he was a half blood Cherokee Indian and that his name was on the roll of Cherokee Indians. I recollect that he was called by the Indian nick name of "Swanee" When he left Tennessee and came West he was accompanied by a number of families.

Said Alexander Brown was the father of the following named children: Thomas Brown, Isom Brown, John Brown, Jacht. Brown, Sarah (Brown)Hambelton, who was also called "Sally", Dicie(Brown) Fender, Elizabeth(Brown)Ruth, Susan(Brown)Proctor, Annis(Brown)Pace and Violet (Brown)Ruth. That said Sarah (Brown) Hambelton was the mother of Martha J. Harralson whose maiden name was Martha J. Hambelton who was the mother of Amanda J Richards whose maiden name was Amanda J. Harralson who is the mother of Gertrude M Richards who is 21 years old and resides at Springfield Greene County Missouri & personally knew all of above named parties and are not interested or concerned in this case or its prosecution

In the matter of the claim of Gertrude [illegible] Richards et al for participation in fund appropriated by Congress June 30, 1906, to Eastern and Emigrant Cherokee Indians.

On this 26th day of July, A. D. 1906, personally appeared before me, Orville E. I was well acquainted with and knew Alexander Brown during his life time, from and after the time he came to Polk County, Missouri which was about the year of 1835 or 1836 until the death of said Alexander Brown, which occured about the year of 1837 or 1838. Said Alexander Brown located and settled at what is now known as Brighton, Polk County, Missouri. His remains were burried at what is now known as the Brook Grave Yard, near Brighton, Polk County, Missouri. During the time above mentioned said Alexander Brown and I lived in the same settlement or neighborhood. We saw each other and were together quite often. We have fished together and have had many conversations together and became intimately acquainted.

The said Alexander Brown told me that he was a Cherokee Indian-my recollection is that he said he was a half blood Indian, and that he came to Missouri from Tennessee. He was recognized and reputed by all who knew him to be a Cherokee Indian. He told me that he had his papers showing his Indian rights, and that his name was on the roll of Cherokee Indians. Alexander Brown always claimed to be a half blood Indian, and all his children claimed to be part Indian and were recognized and reputed to be such by all who knew them.

Alexander Brown was a very tall broad shouldered man, rather slim with dark hair and eyes and was of dark complexion.

Alexander Brown aforesaid had the following named children, viz: Sally (Brown) Hambelton, Dicie (Brown) Berier, Isom Brown, Violet ([illegible]) [illegible] John Brown. My name is Looney R. Gourd; my post-office is Tahlequah, Okla.; I am eighty-three years old; I have known the applicant Susan Leoser since 1851; she is an emigrant Cherokee; she was not enrolled in 1851 on the pay roll; her name was on the census roll but in transferring the names from the Census roll to the pay roll it was by a mistake left off; there were several other names left off of this roll by the same mistake. After the payment at Fort Gibson in 1851 there was about six hundred dollars left and it was divided among those whose names were not transferred to the pay roll; they were paid at Tahlequah and each received about twenty-six dollars; the payment was made by the Cherokee agent who at that time was a man by the name of Butler- he was an Indian agent; I was clerking in a store for a man by the name of Johnson Thompson at Tahlequah, Okla. at that time and remember the circumstance very well. I went around and told the Cherokees that were left off of this roll to come in and get this money. Mrs. Leoser is considered an emigrant Cherokee by every one who knows her.

Hon. Guion Miller,

Special Commissioner

Washington, D.C.

Dear Sir:

Your letter asking for more information in regard to Mrs Susan Leoser to Wit:

' Give County in Tennessee in which your parents resided in 1835' This question I cannot answer as I do not know but near the Southern line of Tennessee and near Gunter's Landing on Tennessee River and near Lookout Mountain.

' Were they enrolled at that time'?

If there is a roll prior to 1830, my Mother's name is on the roll. She died when I was a baby . My Mother was a half blood and died in the Old Nation. My Father John Agnew, a white man gave me to a relative named Dorcas Mills. Dorcas was her Christian name and Cherokee name also. I always called her Granny Mills. She was a half blood Cherokee Indian.

My Mother's Maiden name was Downing (Nancy Downing). Granny Mills was also a Downing.

' Was I Married in 1851'? No.

' Give full name of your Grand parents on your mother's side'? I do not know I was brought to this country by Granny Mills in 1838; came in the Dick Taylor Regiment.

My name in 1851 was Susan ~~XXXXX~~ Agnew.

' You stated in your application that your name may appear upon the 1851 roll as Millsp Turner or Agnew informs us why you think you might have been enrolled under the two former names'

(I will state here that My Daughters called upon you at the Fuller House and stated my case to you. You advised them for me to put all three names on my application and I done as you advised.)

Granny Mill's daughters Annie and Nancy who had married in the Old Nation, Annie , a white man by name William Turner, and Nancy married a full blood Cherokee by name Prigon Dryforward. They c came to this country by boat beforethe Emigrants. After Granny Mills came West with me, she being old and not able to care for me gave me to her daughter Annie Turner, who had no children but r raised a nephew William Prigon Dryforward (That may not be spelled correct) and myself. William and myself took the name of Turner after going to live with Turner. In 1851 I was living with Turner 8 miles West of Tahlequah. In 1853 I was married to Dr. I.D.Leoser a white man came to Tahlequah and have lived here on this place where I was married and now have ~~xxxx~~ my allotment.

I am on ~~old~~ all Cherokee rolls since I married as Susan Leoser.

Susan Looser being first duly sworn, deposes and says:
My name is Susan Looser. I live at Tahlequah, Okla.
I am enrolled by the Dawes Commission. My number is 13872.
I am an Immigrant Cherokee. I drew money when I was a child.
My father, John Agnew, was a white man. In 1851 I was going by the name of Susan Turner. The Turners took me to raise me, that is how I got the name of Turner. I was put on the Census roll, but in copying the names from the Census roll to the Final Roll by neglect it was left off. I got $26. and something.
I was born close to Hunter's landing in Tenn. I was paid by George Butler after the payment was made. George Butler was a Cherokee Agent here at Tahlequah. There were several people whose names were not put on the Final Roll, but whose names were on the Census Roll. There was $600.00 left after the payment was made at Ft. Gibson, and that was paid out by Butler to those who were left off of the Final Roll.
My half brothers and half sister were Old Settlers.

I was living in Tahlequah in 1852 when the payment was made. I know that several names were left off of the Final Roll by mistake, and were afterwards paid by Butler, Cherokee Agent. Susan Looser was one of them. I know her to be an Immigrant Cherokee.

My name is Henry Lephew. My age is about 33 years. I live in Canadian District. I know Lucinda Flesher. We were raised together, as my mother took her until she was 13 years old. I know she was enrolled by the Dawes Commission, Cherokee Roll No. 29260. Viola M. Flesher's No! is 29261. Lucinda Flesher I suppose was enrolled in 1880. All her children were enrolled by the Dawes Commission. I know that the strip money was paid to her guardian. She has no sisters and brothers living but there was a sister Louiza. She got her blood from both sides. Her mother was Nellie Love, maiden name; her married name was Fivekiller. She had brothers and sisters: Squirrel Love, Horsefly, Ailsey, Jane and Johnson. Her father was Ezekiel Love. The grandmother's Indian name was E-yah-nee. Katy was a sister to Nellie Love. There was also an aunt Sally Love. Her father's folks are old settlers. Jackson Fivekiller was Lucinda Fleshers father and was an Old Settler. I don't think the Love's were Old Settlers, as I have heard that they were Emigrants enrolled in the Flint District. (This information as to Uncles and aunts given by Mr. Emmett Starr.) George Downing, who was about 100 years old, also knew my folks and gave me the same information. I have filed an application also, but have not received a notice. I don't know what state my people came from in the East, nor at what time. George Downing told me there was another brother of the Loves which he thoughtwas in Delaware District. I have one brother who filed. Her parents died in Canadain District. I think they were enrolled in 1851. They lived at one time East of Tahlequah. Mr. Ross, of Chelsea said that the Loves were all on 1851 Roll, in Flint District.
